Interested in Purchasing Tax Credits to fund Catholic School Scholarships?

Who can contribute?

Individuals

Corporation or S-Corp

Fit in one of these categories? Here's how it works?

Regardless of being an individual or corporation you can receive 100% credit for purchased tax credits to be used for 50% of your annual State income tax obligation. Can't spend them all? It's ok you your up to 4 years after the year of purchase to use them.

Example: If you owe \$5,000 in Missouri State Taxes you can use up to \$2,500 of purchased Missouri tax credits. If you buy \$10,000 worth of tax credits you're set for 50% of your tax obligation for 4 years

**Catholic Education has
never been more
